“ *I am sorry for your loss please accept my deepest sympathy. I hope you will find your strength and comfort in Jesus promises of the earthly resurrection(:Acts 24:15) and the renewed Paradise earth, where death will be no more and no family will have to mourn the death of a loved one.-Revelation 21:3,4; Luke 23:43. May GOD(Psalms 83:18) grant you peace and comfort now during this grievous time.-Matthew 5:4.*

Thank-you so very much for your comforting words. I had been visiting about my faith as one of Jehovah's Witnesses with my aunt Eunice since we found each other in 2010. What a joy when the hope of the resurrection to an earthly paradise also became her hope, as it had my mothers the last 6 months of her life. She died the morning after I returned from our Regional Convention in Utah. I had promised her I would call to share with her the highlights after I returned from service that morning. I received the call while on a Bible study. Thank you, again. I hope you were able to also visit with her. Angela Martin Meyer

“ *For the last 4 years I have had the priveledge of having aunt Eunice back in my life. For the first 2 years I called her EVERY Sunday. In the end they became less frequent and shorter. We never got to break our record of 3 hrs 58 minutes and 59 seconds. We laughed long and hard about life, relationships and recalled and bemoaned tragedies in our family. Out of all the calls I want to share with our families that she loved ALL OF US equally. She missed the days she was mobile enough to go "spooking" and other fun activities, and cherished every memory. She will stay in my memory ALWAYS.*

“ I met Aunt Eunice when Bobby was in the navy. She was a breath of fresh air, always laughing and encouraging. We spent Christmas eve at their home in Augusta. Liz awakened me early morning to ask if Santa had arrived. We were sneaking in to see the christmas tree when Eunice came bouncing right behind us. Like 3 little children we were all excited and oohing and ahhing, He had arrived. I really liked everything about her when I did visit. Bobby of course has stories to tell of her holding him down, tending to the acne crop he had. Liz you will miss your mother everyday, she will pass in your mind at the most unusual times. I feel that is how God says, you are ok, she is with me now. Hold your brothers in your arms and know, there is part of her there. Peace be with all of you as you say this goodbye. Love, Marie and Bobby Lord and family

“ *Love you. I will miss you greatly, the many talks, laughs and memories we had. I know you are at peace now, no more pain or sickness, Jesus has taken all of that away and now he is holding you in his arms. May God Bless You.*
