“ *I miss you Mama. Words simply fail me. I know you are happy, no longer in pain and continue to have that easy laugh. I try to live like you and daddy would have wanted me too, and I am trying to raise my family within the same beliefs and expectations that I was gifted from being your son.*

*I will never forget the packages you sent to me while I was in Vietnam. You were the only one ( other than that one letter from dad) that wrote me. The only one.  
I miss you Mama. I hope I can make you proud.*

“ As a child I remember going to her house and Denny laying on his bed reading comic books and her making him the best chocolate candy. It was real syrupy. That was the best stuff!
