“ *Part of my heart went with you my friend, I will never forget how precious you were to me. You were not just my friend, but my prayer warrior. There was nothing that I would not do for you. I will surely miss you, you would always call me and say "this is your aggravating woman" calling, but you were never aggravating, I never minded helping you regardless of the time of day or night. I pray for comfort for your family as they go thru this painful moment, You were an angel here on earth and now you have your Heavenly wings. Love you so much and miss you terribly. Rest in Peace my friend.*
