“ *Debbie,  
The words are just not there for me to express my sympathy for the loss of your Mother. How my heart aches for you and the family. When I met your Mom and Dad some 18 years ago, when I worked with BellSouth Mobility aka AT&T, I just fell in love with both of them. And Jimmy was a character and much loved as well.  
Your Mom and Dad lived a wonderful life and was always there to help when they could. I will never forget your Dad telling me about his bicycle repair for all the kids.  
Please know that you and your family are in our thoughts and prayers. Please find comfort in sharing your memories of Mom, Dad and Jimmy with family and friends.  
God bless you and I know he will comfort you and yours in the days ahead.  
Love you,
