“ Kayron, Jimmy, Lucy and other family members,

Mrs. Finney was such a sweet, friendly, wonderful, kind person and a joy to spend time with. I just learned yesterday that she had passed away last Friday, and I'm so sorry.

I met her, Mr. Finney, Kayron and Jimmy long ago when I was in the 5th grade, and Kayron and I became good friends. Over the years between that time and college, we spent time together, and they were like extended family members to me. I have good memories of those days and the good times we had together!

Although I have lived away from Georgia for a long time and don't get to see everyone as much as I'd like, I still think of all you special friends there, and you all mean a lot to me!

You're all in our thoughts and prayers at this sad time, and I hope you know how much I miss being there with you. Heaven has gained another very special angel, and we'll all miss her!

You're all in our thoughts and prayers!

With our sympathy,

Dennis and Faye (Brantley) Head

“ I always loved that she was always smiling and her sense of humor. I loved to hear her talk about all of them as kids and all the mischief she and Aunt Lucy would get into. Then "Tuta" (my Mom Leone) would have to intercede and or save them from Big Mama. A very sweet, kind and big hearted lady. We love you Aunt Ebby and will miss you.
Peace and love to you family.
