“ *Everytime I was lucky enough to kill a deer I always rushed to show off my deer and tell her the story from beginning to end.she was always so happy for me.even when I didn't kill a deer she'd call and ask how many I saw and listen to me describe my days hunt to her.when I would go hunting and call her she answer the phone. What did you get ..I love that woman and will miss her terribly..deer season will not be the same*
