“ Elaine and family,

I was blessed to meet the "one and only" Evelyn many years ago in Sparta.

She truly enriched my life as she did all others as well.

The moment I met her I could clearly see that she loved life and I was immediately attracted to her outlook on life and her "off the chart" amazing personality.

I can not count the many times I woke up the next day with my stomach still hurting from laughing so hard from talking with her the previous day.

When God made her he truly broke the mold and to say she was entertaining would be an understatement!!! She made this world a much better place!

My life will never be the same without her; yet, I am so fortunate to have met her and for that I am one blessed person.

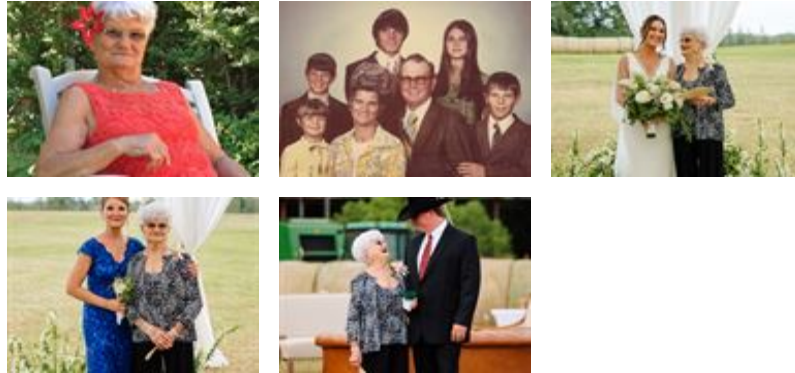

Rest in Peace, Evelyn

Shortly after I bought property in Sparta six years ago, Evelyn led a small group of gracious ladies to welcome me to the neighborhood. I thought, when they said goodbye, that I would have no further contact with them, but Evelyn surprised me by sending a follow-up personal card. After I called to thank her, we continued a telephone friendship over the years. I was glad to picture her only a few homes away, always ready to do a favor or lend a hand. The neighborhood is poorer for her loss.
