“ I am so sorry for the lost of your loved one.It is very difficult to deal with the death of someone who we cared about and many wonder what hope there is for the dead. The bible gives us a promise at John 5:28,29 that God will resurrect those who did good things.How loving of our God to give people and chance to live again. We know this is possible by means of ransom sacrifice provided by His son Jesus Christ mentioned at a scrip we all know well at John 3:16.My heart goes out to your family as you go through this lost.Below is a link to a brochure that talks more in detail about when we lose someone in death.
