I was saddened to hear of Faye's passing. I taught school with her at Southside Elementary. She was quite a character with a heart of gold in high heels!!!! I thought highly of her. She was so proud of her girls, Yvonne and Dana. Sharon L Breiner

I am just learning about the death of Faye Smith. I met her when I was student teaching at Northside School in Milledgeville. There was a meeting there with all of the teachers of young children in the county, and a woman with high heels and lipstick walked in, dressed from head to toe, vibrant and filled with joy. I was to learn that the woman was Faye Smith, and whenever I interacted with her for over 30 years, she was as friendly and as beautiful as the first time I met her. May sweet memories of her flood your mind and heart each day.

“ So sorry to hear about Faye. She had a very special teacher's heart. We worked on many committees together through school system and Education Association. She had a one of a kind presence in everything she pursued. Not only did she make a positive impact in Milledgeville, but she worked tirelessly as a state senator to help teachers and to get more assistance for mental health in the state.
