“ Chief Fernie Snow was a great leader. Mrs. Rubye, thank you for allowing Fernie to serve his community well. From teaching, responding to auto accidents, boating accidents/drownings, plane crashes, he lead the best C.D. in Georgia, working long hours and very little pay. It was a pleasure to work with him during the Lingold and Arrington days. ##imported-begin## Randy Ellis ##imported-end##

“ *The Snow Family,*
I am very saddened to hear the news of Fernie’s passing. Fernie was truly a one of a kind individual, you could always be assured he was standing for what he felt was right. He touched so many lives, victims of tragedy (Accidents/Fire/Etc.) as well as all of the public safety community not just Fire/Rescue. His visions, techniques, and wisdom are still used today. Fernie was a leader among leaders and will always live in the hearts of them that knew him. He spent his life helping others to live, it is sad that there are not many of his caliber left and we lost another one. Please accept our heartfelt condolences, as we too have heavy hearts for we have lost a member of our Fire Family.##imported-begin##Ricky Smith##imported-end##

“ *Jim, Wayne, Cecil and family, The years have gone by so quickly since we were firefighter in Baldwin, County. Fernie was a good figfighter, Captain and Chief. He served his community, state and nation and volunteered his time to its veterans after retirement. He has given much of himself to better mankind. He is to be admired for all he has done for others. I am pleased to count him among those who are my very special acquaintances and a brother firefighter. May he rest now from his earthly effort.*
