“ *To the Family of Ms. Kitchens - I have such wonderful memories of her. I worked at the Nursing Home when Mr. Kitchens was there and have fond memories of her coming to visit. She always treated Mr. Kitchens with such love and she came regularly. And you know she always brought him treats along with some for the other residents. She was always a pleasant person to be around. I know you all have so many good memories that you will one day be telling them to your grandchildren. It is with respect that I say good bye to her. I am sorry for your loss. Danita Knowles*
