“ *Mr Floyd, I always enjoyed visiting with you and Sandy and catching you on the phone on a rare occasion. You were so easy to talk to and be around and could make me laugh over the littlest thing. I always felt welcomed and no matter how crazy I got or the path of the conversation, you made me feel important. You and Sandy are among my best friends and I count my blessings everyday to have you both in my life.....I will miss you but the memories will always have me smiling or laughing over something big or small....*
