“ I am saddened to hear of Francis' passing. We were together at GMC doing all the things young men do. I recall we switched cars one evening - he had a van that Jeff Killian mentioned and had a little Brit sports car. It didn't work out well as I managed to get the van stuck in mud. I recall his sense of humor all the more so as he rescued me and the van. I admired his drive and grit as he and several others including Frank Rodrigues had the distinction of successfully completing the Army's Ranger Course as cadets and wearing the tab as cadets. May he RIP.

“ I was just informed that Mr. Kennedy passed away and am deeply saddened to hear of his passing. I only knew Mr. Kennedy for a short time but learned a lot from him. I will always be grateful for the help and guidance he showed me- his expertise in fixing and maintaining homes and patience and willingness to teach me made an impact on me and I will always remember him. Thinking and praying for his family.

“ Will miss Francis on visits to M'Ville, he usually hosted me. Our parents were good friends with his and we knew each other since high school and then GMC. He would always lend me the 'red van' for various activities. I remember going home driving down the interstate and he insisting we change seats at 75 MPH, we survived that maneuver but not the firecracker action on parade day. I better stop there, too many fun times to relate, He was a real 'firecracker'. 'RANGERS lead the way' go gettem Francis, love you man and will miss you,

“ My heart goes out to The Kennedy Family. I studied in a small group with Frances four years ago and we have been friends ever since. I was always amazed by his positive attitude and love for the Lord. Not too many people can talk about humbleness in our world's but, he set an example for the rest of us. He humbly gave friendship, empathy and prayers to all of us who needed them even though he needed them himself at times. I can't imagine surviving half of the medical issues he endured. Such an amazing God-Fearing, loving man! We are all lucky to have known and loved him!

“ Francis was a dear precious soul. We loved him and enjoyed the several nights he spent with us during Emmaus activities. He was dedicated to his Lord and a true follower of Jesus. We are very sad to lose him but know that he is in the arms of Christ. May he find the peace and love that he searched for here on earth. Rest in peace, dear friend.
