“ *I had the opportunity to work along with Frank at plant 66 in Milledgeville in the 80s I worked in the paint shop! Frank worked for my father as an expediter! I also have the opportunity to be in Baldwin County volunteer fire department in Milledgeville at station seven to volunteer along with Frank what can I say I'm at a loss of words here I just talked to Frank about three weeks ago I'm in Saint Augustine Florida! I remember when they had the party at the country club for JASON Reiner Frank and I had to rush down to Mickellys and bring back kegs of beer with our Jeeps! Frank was one of these guys who had a warped sense of humor but he was very funny! I will miss texting and talking with my old buddy Frank may you rest in peace you'll always be on our minds Frank you are one of a kind guy*
