“ I just learned of Frank's death today. Frank was a long time karate student of mine and a good one. He was a good man, and his death makes me very sad. May God work in him, and his loved ones, the purpose of His good and perfect will.

“ Frank was a good friend he came into our lives by doing some work at our home years ago. He soon became a great friend we shared a lot of the same health issues so we could share our stories. My husband and I will miss him terribly he was a good man and great friend with a huge heart. Rest in peace my friend!

“ To the Powers and Fraind families, I am so very, very sorry to learn of Frank's passing. I have so many vivid memories of him as we grew up. He was the consummate annoying younger brother to Deb and by extension to us, her friends. He always had an impish grin... the only thing that changed about it was it went from being raised up toward us when he was a 6th grader, to cast down upon us when he sprouted so tall!
You have my heartfelt sympathy and love. Sending special hugs to Flo and Deb.
