“ *Uncle Frank will always be "Uncle Steve" to me. I remember when he visited, we'd usually end up outside at some point pitching the baseball back and forth... He had a hearty laugh -- similar to his father's... and I know my mom certainly has fond memories from when they were growing up in Chicago. Our thoughts and prayers are with you all as you grieve and celebrate his life. GOD bless...##imported-begin##Gil and Elizabeth Neumann##imported-end##*

“ *Michelle,
Please know that I am thinking of you and your family. My prayer for you is strength to endure this difficult time, and hope for comfort and peace in the coming days when letting go of life is given to beautiful memories of times shared with your Dad.

“ *Frank Endrias was my grandfather and no matter what hardships he has overcome, he was a great man. I remember when I was younger, we would always annoy my mother by repeatedly saying "Yah?!" SHE would get so annoyed, she would fuss at us. His personality has really shown through these past few years in the nursing home from showing off his agility using karate to making faces and picking on us as we visited him. Papa Frank, you were and still are tremendously loved and you will be missed.##imported-begin##Eleni Harrison##imported-end##*
