*Christy and Family, that was so beautiful, my thoughts and prayers are with you all. When I was a child about 11 years old we lived out on Irwinton Hwy across from Eddie Jackson's store and her family lived next door. My sister Sherry and I use to play with her and Marion as we were all about the same age. May she rest in peace with the Angeles.*

“ My prayers for each and everyone of you with love. My memories will forever live in my heart of this dear friend and her sweet husband Carl. We had a lot of good times together. Frankie was a rare jewel one of a kind. She was always so happy and I know that she is a chosen one in Heaven now. We did not see each other in the last several years unless passing by but no matter she knew how much I loved them both. So RIP now my beautiful friend and until we see each other again I will always cherish the beautiful memories. Much love to this special family and prayers for peace and comfort in the days ahead.
