*So sorry to learn of your passing cousin Fred tonite on line. I got your address on line with the Ambulance Service info and I actually sent you a card today. I double checked and saw your obituary. I really did want to talk with you. I have learned from my son's passing that life goes on from a place of eternal love so I will talk to you from that place. I thank you for the times you provided support in my life when I was moving to Atl. And another time later. I think of you fondly. Rest in peace. Love.
