“ *Freda Kitchens was a friend like no other. She was a friend that if she had it, you had it too. She would help anybody any time. Freda didn't care about money or material things. She cared about her family and friends. Freda loved her kids most. In my opinion, she was a damn good Mom. She cherished her parents, I know that for a fact. She was always telling me about Mr. Fred and Ms. Betty, she worried about them. Freda and I were friends for a lot of years. I hope she knows how much I appreciated her and her friendship. I'm gonna miss my friend, I hope she knows that too. I can't believe she's gone, but I'm glad I have the memories.* ”
