A celebration of the life of Fredric Daniel Bright will be held Tuesday, May 1, at 4 PM in Northridge Christian Church, 321 Log Cabin Road, Milledgeville. Interment will follow in Heritage Memorial Park. The family will receive friends at Williams Funeral Home in Milledgeville on Monday, April 30 from 4 until 8 pm.

Fred, a native of Baltimore, came to Georgia in 1973 and graduated from Emory and then the University of Georgia School of Law. Fred, one of the most experienced trial lawyers in Georgia, was a career prosecutor, serving as the District Attorney for the Ocmulgee Judicial Circuit for 21 years and as an Assistant District Attorney for 13 years before that. He tried over 400 jury trials. In 2015, he received the Lifetime Achievement Award from the Prosecuting Attorneys' Council of Georgia. After retiring from the D.A.'s office, he joined the Cansino Law Firm of Milledgeville in January 2018. He loved his courthouse families and relentlessly fought for justice.

Fred is survived by his loving wife and best friend for life, Cinda, and his sons

Jonathan and Jacob. He is also survived by his siblings Dr. David E. Bright (wife Avril) of Colorado, Joel M. Bright (wife Trish) of Maryland, and Rhonda Bright Adams (husband Joe) of California; seven nephews; close first cousin Alysa Freeman (husband Gunner) of Hawaii; brother-in-law Keith Sloan (wife Terri) of Milledgeville; two nieces; and father-in-law Arnold Sloan of Allentown. He was predeceased by his parents Robert and Jessie Bright and his mother-in-law Shirley Bridges Sloan.

“ Please accept my sincerest condolences, thoughts and prayers. I had the distinct honor and absolute pleasure of working with Fred throughout my career with the GBI which continued after my retirement when I worked for the Morgan County Sheriff’s Office. First and foremost, being from Chicago, regardless whether meeting in person or over the phone, he would religiously begin our conversation by saying “Da Bears” and would then immediately ask how my two lawyer sons and one law enforcement son were doing before we began discussing the case at hand. When he first ran for DA, my three sons were in their early teenage years and they distributed campaign literature for him and there wasn’t a time that he didn’t remind me to tell them once again that he really appreciated their efforts back then. That’s the Fred I knew; a man who was caring and compassionate for everyone, regardless of the circumstances, who always ensured whatever the right thing to do was paramount in every situation. Fred was a friend, a consummate leader and valued mentor to all in the criminal justice profession. I sincerely regret being out of the country and missing his memorial service. Godspeed to you and my friend!...CAB

“ Cinda and family, we are so saddened to learn of Fred’s loss with his courageous battle and earthly fight but so glad to “know” he has gained his heavenly reward! Posted this on fb but wanted to make sure you saw.... One of my fondest memories was when I was working at Oconee Medical Consultants and Fred was one of our patients. I came out of one of the exam rooms one day and had to do a double take as Fred was standing on the scales in the middle of the hallway in his boxer briefs and socks with his suit,tie and shoes on the floor beside him. He had a bet with one of our physicians, Dr. Earl Berman regarding weight loss and said, “ Earl Berman is NOT going to win this bet”! Rest In Peace sweet man and praying for peace and comfort for your family!

“ I've known Fred's parents and siblings, in MD, for as long as I can remember. For me, Fred will always be little Ricky, running after his big brothers with great energy and determination. My husband, Robert and I, are awed and inspired by Fred's many accomplishments, sense of humor, professionalism, loyal friendships and following, his devotion to his wife and sons, and his tremendous zest for life. Fred will leave huge footprints behind for other family members, friends and colleagues to walk in and follow. May his memories be a blessing and his spirit a comfort to all. With our deepest sympathy,
Sheila (Smallberg) and Robert Cohen

“ To the Bright Family: I knew Fred as a fine, Christian man. He was also a very accomplished attorney and did his best to represent the people of Georgia in his various duties, to include District Attorney. He will be missed, not only by family, but by those that worked with him and many friends. God provides us with memories of our departed loved ones that will stay with us forever. Keep these memories in your heart. There is also coming a glorious day when all of God's Children will come together for eternity. Stay focused on both the memories and that Glorious day ahead

“ A few years ago I helped Cindy with some paint design and window treatments. We had so much fun shopping for furniture and looking at fabric samples. Through it all, Cindy was so concerned about Fred 's feelings and making him happy. When we were near the end of our projects Cindy said that Fred was coming home early to help us hang the pictures and make the final decision about the window treatments. Reading the comments about how thorough Fred was made me laugh because I have never spent so much time measuring and measuring again to hang Georgia plates. We spent hours in just the dining room, but he was a delight. We don't even want to talk about the window treatment for the bay window. I thought I was on trial because he asked me so many questions. By the end of the evening Fred was smiling and asked me to look at his home office for advice about how to finish it. I have never enjoyed a design job so much or worked in a home filled with so much love. Fred was a public servant and all of us were blessed just to know him. Cindy, the sweetest memory from that night was how much he praised you and showed his love for you. I share a broken heart with the hundreds who are hurting. Love you sweet friend !

“ *My best memory of Fred was when he and Cinda bought our house in Gordon. Cinda came and looked once, but Fred came back three times for another look and to ask questions and take notes. He would turn on the faucets in each bathroom and time how long it took to get hot water. Once we forgot he was in the house looking around. When we got to closing he wanted to read every word. Finally Joey Boone told Fred we didn't have all day and that he was sure Fred was familiar with closings. I told Fred then that if I ever needed an attorney, he would be at the top of my list. He was so thorough.*

“ *I first met Fred when I was a deputy sheriff in Jones county. Fred always treated everyone like they were somebody. After leaving the sheriffs office Fred came by my convenience store in milledgeville and told me he was going to run for the DA office against all odds. The governor had appointed Jim Cliene as acting DA and every Newspaper in the district and all the big money people at Reynolds were backing Jim. Fred made the statement that Jim was a good man but he wanted the job . He said there was a lot of good people in the district and they would pick the best guy. Fred got up every morning and started talking to people and would stay out till he could not find someone to talk to. To this day I have never seen anyone work as hard as he did to get elected. He was so humble to all that worked to help him raise money and get out his message. Even years later when he ran in to someone that helped him he would express his gratitude and introduce you as a good man or woman and tell everyone how you helped him. I could go on and on but in short Fred was one of the most principled and honest person I have ever known and the world is a better place because he was here . Thank you Fred for your friendship !*

“ My memories of Fred are of him getting a haircut once a month. I started cutting Fred's hair 25 years + ago. I can honestly say he adored his hairstylist and I him! He took getting a haircut very seriously and we would have wonderful conversations about our kids as my children also attended Ga Tech. We also discussed some of his cases (the ones he could talk about) He often would tell me that he was going to hire me as a detective when I offered him my expert advice!!! Once those haircuts were finished and I mean all 25 years + I would hand Fred the hand mirror, he would stand up and inspect the back of his hair! That said, I knew he was really inspecting that bald spot that was growing larger each year!, He never found anything wrong with the cut. He would then tell me he was going to put a sign on his back during court that said "Hair by Tammy". I cant tell you how many times he said that to member the years. It was so ironic we would have to cut him to a bald status once he started taking his chemo. Fred loved his hair.....
I'll miss you sweet friend and all of the stories you had to tell.

Love,
Tammy Lyle

“ I met Fred and family years ago in the church they were attending at the time. I instantly liked them and Fred made me laugh by something he said. He laughed a lot. Later on I was working in Baldwin county courthouse and our path crossed again. At the time I was leaving there he almost hired me in his office. I have prayed for him for a long time but the Lord had other plans. Cindy and boys, I am praying for God to give you all strength, comfort and peace. Fred is not in pain anymore and where he is there will be no more nights. May God cover you all with His infinite love.

“ I've been a career criminal investigator and GBI agent for almost 20 years. Fred prosecuted cases I worked for years. I never knew anyone with more integrity and character in the courtroom. Fred demonstrated how we are to seek justice for everyone. I will miss you my dear friend.

“ *Just knowing and being able to say Fred was my friend is an outstanding accomplishment. I enjoyed him, sometime I was annoyed by him and I am sure he was by me. But I had nothing but respect and love for him!* ”

So sad to receive news of Fred's passing last night. Fred was a special friend. I worked in the District Attorney's office from early fall, 1986 to March, 1994 in Baldwin County in the old courthouse bldg. Fred Bright, located in Jones County, Gray, GA. often Fred would either call or come to M'VILLE and it is thru this association we became acquainted. He was always jolley, smiling, talking non- stop, asking about my family, etc. Fred knew my husband, Henry thru work prosecuting cases for GDC. I send my love to Cinda, and her young men, Johnathan and Jacob my sincere condolences for your loss of your love one, your soul mate and your Daddy. May our loving Lord Jesus strengthen you three now, give you comfort, peace, and also joy in knowing that he is no longer in pain, he has fought the good fight, courageously! May his memory live forever in your hearts and you take many life lessons from him. He was proud of his family always. May God bless you all.

“ I never had the pleasure of meeting Mr Bright in person but spoke to him several times on the phone. The first time I saw him was when he had broken his leg as he was walking across a parking lot. I don't know what I expected to see when I saw him. He was a man walking with crutches. Surely this was not the man that I had heard could rattle a court room, send fear to those on trial, have compassion for the victim and their family. You see, the Fred Bright that I got to see was thru deputies that had been a witness to Mr Bright in court or who had to testify. Their version was a man who literally held a courtroom in his hands, a man who could bring tears to the eyes of many and make people jump simply by hitting a table with his fist. They walked, used pencils or anything that would represent something that Mr Bright had used in getting his point across. I would get so caught up in them being Mr Bright that I would forget I wasn't in the courtroom. Now Mr Bright is with all that he represented and I am certain that was a huge welcome home. Mr Bright, you left us with an astounding legacy and in very capable hands. GOD SPEED FRED BRIGHT.....HEAVEN IS WELL REPRESENTED
