Hi, I'm Glenda Abbate Gary's cousin. I just came across this site, I hope you will be notified that I have added a couple of pictures of your Dad and Mom. I am Aunt Agnes's youngest daughter , only 7 years younger than Gary. I spent a lot of time with your Dad growing up. The thing I remember the most is all the model cars he built as a kid and playing pool in the basement at Aunt Inez's. I do remember you kids as you were growing up. I hope that you are all well. I am so sorry that you lost both your mom and dad at such young ages.
