“ Gary/friends/family,

Although we regularly sparred at work, I always knew you were really a "stand-up guy" with a good heart. I wish retirement had worked out more as you had intended. Still, I hope you were able to get some quality time in with your wife and beloved pets.

You were truly a unique and memorable character, your legacy with me is that I continue to borrow from some of your trademark catchphrases such as "CORRECT!", and possibly my favorite, the dad-pan and dryly delivered "very nice..." upon hearing colorful or dissenting commentary, or witnessing aberrant behavior!

In addition to your remarkably droll and interesting humor, I will remember you as a decent human being who always extended a hand to a person in need when you could.

I hope that your "Boogie Nights" Dodge van with the shag carpet dash (replete in all of its splendor with a generous complement of J C Whitney chrome accessories) awaits you in the afterlife!!! Better yet, perhaps it's morphed into a motor coach and you can finally make all those trips that you and Linda had hoped to make! :-)

“ *Dearest Tina and family, I am so sorry to learn of Gary's passing. All the wonderful memories spent with Gary and Linda at the Cherry blossom Festivals, listening to the Swinging Medallions, riding the boat all over Lake Sinclair, to going out with Brenda and Ronnie to enjoy dancing and having so much fun. Gary was so in love with Linda and you could see it every time that we spent time with them. Prayers lifted for strength, comfort, and peace, Love you dearly, Mitchell and Mary Ann*
