“ Thomas, you were always so Loving, Caring and Generous to all whom new you. I remember the first time we met, you came to my Dad's house. I remember thinking gosh I am not allowed to date. But he came to my dads almost every day, so it really did not matter. I got to see him daily because of the friendship my Daddy and some of the others were all friends, they would hang out with my Dad on there off days. I remember the first time I met him he was such, a Gentleman and very polite. I would get tickled cause if my Dad are another guy said a ugly word, he would stand up and let them know to show me respect, that I did not need to listen to them. I remember thinking boy, he must be tough telling my Dad and the those men to watch there mouth in front of me.

I even got to go fishing with Thomas and my Daddy several times. There was a huge lake below where we lived. Thomas would be cracking up, me being young of course I was silly and laughing so hard I would cry. He could get my Daddy beat by along shot. Tickled me to see someone that could get the best of my Daddy. Anyways we grew up but our friendship, and love we learned to have never died and it never will.

Thomas, I am so Proud to have really known you. I am extremely proud of you being a very good man. I remember going to see your mama, I loved you Mother with all my Heart. She I believe was born a angel, and I know you are now in Heaven with your mama. That makes me happy. I know you did not walk through Heaven's gates. When, He called you home he knew it was time for you to go home to Heaven. So instead of you walking in, Jesus held your and just snatched you through Heavens Gates. Cause He knew you was his child, you were saved for eternity . And one day I will see you and your mama in Heaven, what a Glorious day that will be. Praise God you were saved. Until I see you in Heaven just always know you were in my heart and always will be. You will make me so Happy when I get to see you again. In Heaven until that day I get called home, I will miss you. And never stop loving you. And please tell your mama I Love her Too, She was a
