“ My deepest sympathy in the loss of a man who obviously was loved by many. I hope that the memories of the time spent with him will ease the pain of having to let him go. We are human and we are selfish. We would rather have our loved ones with us, but have faith that God has a plan and know that you will have the joy of seeing your loved one again.##imported-begin##Wendy Kochis##imported-end##

“ To the Petruny Family: May the comfort and peace of God be with you all during this difficult time. I only worked with George for about a year and a half, but he was a great guy. He asked me every month what I was planning on bringing for breakfast for the safety meetings, since he would have to leave home so early to get here on time. He will be sorely missed for a long time to come.##imported-begin##Ginger Hammond##imported-end##

“ Mrs. Petruny and family,
I'm truly shocked and saddened by your loss. George was a great guy and I felt privileged to call him my friend. Like clockwork, he'd call and check on me every week with the same line, "Hey fella, how ya gettin along?" He'll most certainly be missed greatly. Always a smile on his face and a friendly little verbal jab among friends; that's how he'll be remembered by me.##imported-begin##Brian Watson##imported-end##
