“ Nancy and Family, I am so sorry for your loss. I loved George and over the years I have loved getting together with all the Milsap family gatherings and catching up on everyone's life. You and George have always been the same....never changing since I first met you. I know how hard it is but I can promise you that you are not alone, the Lord is there for you. I wish I could be there today but that is not possible. Please know you are in my prayers and I love you all.....Rose##imported-begin##Rosella(Hendrix) Davenport##imported-end##

“ I will miss George's sense of humor and his ability to always make me laugh. He was a great conversationalist and always went out of his way to say something to make you feel good about yourself. I am thankful that George married my cousin Nancy and became a part of our family. It will be sad today at his service, but I am celebrating his life and appreciating the fun times we all had when we were all together. Goodbye George. May you rest in peace. We will make it a point to be there for Nancy. I love you!###imported-begin##Diane Overstreet###imported-end##
