“ Donna and I am so sorry to hear of the passing of Jerry. He was a friend of my family and the Frank Williams Family in Darren. He was one of those rare individuals that could command respect from his soldiers in his command immediately that then follow him into anything to get the job done. He rose from the enlisted ranks to attain his Commission as an Officer with the rank of Lieutenant Colonel; before he retired.

*He was my Comrade in arms, a trusted friend in the military and dedicated Officer to his Country. His ability to teach young soldiers was admired by his peers and senior leaders.*

*A true American, who lived his soldiers and Country. My family will miss him greatly. The nation has lost an excellent officer.*

*The prayers of Donna, Myself, Frank and Martha Williams and our families are with the Calhoun Family.*

“ Good man and soldier. Remember his remarks - lots of them - on almost any topic. NYC rotation in 1985 remark about their belt buckles. May comfort be felt for family and friends.
