“ *It one time Leslie Gail and Jerry lived in the springs while John and I live in wifefield. We had a pool table in the basement of the house. Sissy and Jerry were often over to play pool with us.*

One New Year's Eve we were all board. The four of us piled into a car in a bad snowstorm and headed for Janoah. We went to see daddy and Dorothy. We decided that the paint Janoah pink are you needed was a bottle of fingernail polish.

Pammy and family, my prayers are with you at this time. Aunt Betty
