“Granny, I love you more than you know. You’ve always been there for us and you spent your life trying to please me, Dawn and Tracy from the time we were born. I love you and I miss you terribly, but I have no doubt that we’ll be together again one day. I know you’re in a better place where there is no suffering and no pain. I would love to hear you say “I love you too darlin”, just one more time. I hope you know how much you meant to us. Your spirit will live on in our hearts forever. I will cherish all the memories with you. RIP Granny, until we meet again.....I love you always and forever!
