“ I was so honored to have Glenn as one of my classmates. I will treasure the memories I have stored in my heart. We had some wonderful teachers, and we had some joyful times one of which was the "Pep Rallies".

“ I had the wonderful privilege of knowing Mr. Glenn "Bud" Wooten and even spent time with him during the final week of his life on Earth. Glenn was exuberant, active and really looking forward to the future. He was focused on good health and was truly in bliss about his loving family. He even shared some wonderful stories with me about his youth (and some of his travels), and also spoke to me about wanting more rest. He was a real kind and gentle man with a joyous spirit. Mr. Wooten was inspiring in the right ways, and will forever be in our hearts. "Bud" did it his way...and certainly lived a FULL and LOVING life. Much Love to the Family, David B. Martin

“ There are too many good memories to pick from. With all the kids around back then and most of the family close to each other, what I'm proudest to be able to remember is his contagious smile and laugh, it was impossible not to be smiling and happy with him for us all. Fly high Bud, Paradise is yours!!
