“ I was a caregiver of Gloria. We became besties during this time. We shared laughter tears and great conversations. I have lost a good friend but I have gained an Angel to watch over me. Until we meet again, continue to sleep in peace, I love you 🙏❤️🙏 your friend,

“ Gloria was the sweetest most humble lady I have ever met. We met for the first time at our eye doctor's office . George & Gloria came out from where she was treated - something was telling me to speak to that precious lady . I did and we chatted, I felt I had known Ms.Gloria a long time , because Lynne & I have been close friends. I am grateful she is in no more suffering & is in heaven now . She will be greatly missed.
