“ A great memory of Gloria was many years ago when Cheryl and I took a few puppies to the local nursing home. As only Gloria could do, she tried to place a puppy in a woman's lap. The woman wasn't pleased and she told Gloria that. Gloria told her - you don't mean that - and tried again. Well...the woman told her again to get that dog off her lap. Finally, Gloria accepted it and moved on to another resident. Cheryl and Wanda - Gloria was a very sweet and happy woman. I know you will miss her sweet smile.

“ Cheryl, The posts and precious, funny stories that you made on Facebook helped us all to appreciate and love your mother. I cannot seem to express my deepest sympathy for you as you go through this loss, as there is no other like it. I know that you are sad she is not here, but as my own Mother told me once that when she passes, “I am not where I was, But I will always be where you are”...I do hope that all of your memories and all of your love for her and hers for you, will comfort you in the days ahead. We know where she is and there are no more tears and no more suffering... Love to you and your family
