“ Paula and Family,

*How sorry I am to hear of Mrs. Gloria's passing. I worked with her for a time at Belk's and I can tell you as anyone who has ever spent time with her, that she loved you, Terry and the grandchildren. You were her greatest joy. She loved being a mother, grandmother and had loved being a wife. I ran into Mrs. Gloria sometime back and she still remembered who I was. Seeing her again was just so wonderful. Please know that you are in our hearts, thoughts and prayers during this time.##imported-begin##Carolyn Balkcom##imported-end##*

“ To Paula and family: I am so sorry for your loss. I never thought that this day would come so suddenly, but look at it as she's gone on to a better place and you best believe that her and Cecil are looking down on you all. I can remember it like it was yesterday when we were at the baby shower and I will always rememeber her with that smile on her face when she arrived to see her familt. You all are in my prayers may god bless each and every one. Love Tomeka from Comfort Keepers##imported-begin##Tomeka Moore##imported-end##

“ We lived next to Miss Knight only for a few years but growned to love her. She was a great neighbor and we will miss her. She loved to talk about how proud she was of her children and grandchildren. I know she loved you all with all of her heart. “ My Aunt Gloria will always be in my heart. I will never forget the love and support she has always given me. I truly know that she happily will now be back with my mother, Eleanor, and her late husband Cecil. The World has lost one of the last of the true "Southern Ladies."###imported-begin###Michael Edwardy###imported-end###

“ Paula, I just wanted you to know how sorry I am about the death of your mother. You all have been and will continue to be in my thoughts and prayers. I am sorry I will not be able to see you this weekend. Abby is having a spend the night party Friday night for her 13th birthday. I'll talk to you when you get back to school.  
Much love,  
MeLisa###imported-begin###MeLisa Clay###imported-end###
