“ *Happy Mother's Day Mom!!! Every one here is good. Looks like Justin will graduate in June, finally. Only 1 year late. It was a struggle, but you would be proud, he worked hard.*

“ *Happy Easter Mom. Sorry I haven't written lately. All is the same, we're all good. The Little White Church in Bohemia burned. Casey got married last nite. Vera and I couldn't make it. I feel really awful, but just couldn't get there. Mike Wallace passed, another good one gone.*

Talk to you soon,

Love,

“ Well Mom...I always come to read anything new has been written, but I haven't been able to bring myself to write anything because the way everything happened is still so fresh and painful to think about; but after two years, it's time for that to change! There's usually a message from Casey or Daryl, which is so nice to see. Big is gone. I think he tried to hold on until the anniversary of your passing, but he just couldn't do it. But, he is with you, Dad, and Timmy now where there is no more pain or suffering...Casey is about to graduate Nursing School on her birthday; I know you are so proud and excited! Me too! You have no idea how much I miss you...Kayla gives me hell, but it's just not the same...Anyway, I know you will be with us in spirit on Dec. 9...XXOO...##imported-begin##Colleen##imported-end##

Just a quick hello and update. All is okay here. My diabetes is fairly under control, Justin broke his leg and now has 3 screws and a metal plate in it. Vera is good. Sorry to say "The Duke of Flatbush", passed away, he was 84. Vinny passed away last month also. So did my birthday, no big deal.

“ Nana- My first semester of nursing school is going well. I moved back home! I know, I know, you knew I was going to. I wish you were here for me to read to when I get sleepy and need to read aloud. This stuff is way more interesting than the stuff I read to you last semester :) And thanks for sending me Jeff- he takes care of me like you did and gives me just as much hell!!!! “ Nana, today is my 22nd birthday and I miss you more than you'll ever know. I think about you every single day and even talk to you sometimes about school- and I know you helped me out with my Pharmacology test (I heard you laughing when I looked at my score)! Thank you for everything you've done for me and the memories you and I shared together. Not a day goes by that I don't wish you were here and I know you're proud of everything I've done this semester. Almost all A's! I love you nana...and Happy Early Birthday :)##imported-begin##Casey Sullins##imported-end##

“ I wish I could have taken your pain away and held you and laughed with you just one more day. The sun doesn't seem to shine as bright, the stars seem dimmer every night. The ache in my heart is oh so deep, but your love and memories are mine to keep.

Love always,
