“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. Our loved ones have a permanent impact on our lives and they should never leave us. Their influence is invaluable all throughout our life, so they should be with us forever. The God of all comfort wanted mankind to live forever and never experience suffering, pain and death. He sent his Son to earth to erase everything that plagues mankind, particularly death. God's Kingdom headed by Christ will establish a Paradise earth and bring our precious loved ones back again so we can enjoy living with them happy and healthy and sharing all our experiences with them, never to loss them again.##imported-begin##Marquell##imported-end##

“ I was very sad to learn this morning of Gloria's passing! I am very grateful that we finally got to meet in person a couple of years back on one of our trips to Madison. When I was writing our family history book she was very supportive, donated pictures, helped with names and dates of people and events. A very sweet lady. I will miss getting emails from her. Mine and Julie's prayers are with you all at this time. May God grant you all comfort.##imported-begin##Tom Atkinson##imported-end##
