“ My thoughts and prayers are with you and your family. I know what you are going through, this is not easy, and there are not words to make it any better. He was the sweetest man. I truly was blessed to get to know him what little i did. He always made me laugh, and that is what ill always remember. He will be missed. Again i am so sorry for the loss. i know that there are not words to offer to change anything... the only advice i can offer is to remember the good, it outnumbers the bad. Just remember that he is in a better place, and is no longer in any pain, and this separation is only temporary.... for one glorious day, you will see him again.... :) you know where to find me if you need me.##imported-begin##Rebecca Thomas (AT&T)##imported-end##
