“ Grady was my Neighbor. We love him very much. When my Husband was at work and there was a problem at my house he would come to the rescue. He also helped my Husband out many time's. He would also go check on my Dad and my Dad loved him too. That was what kind of man he was. I gave him a name, it was " Bulldog " because he would get somebody if they treated you wrong. He will be missed. Love you Debra Brown.
