“ A beautiful bird flew across the clear blue sky. It was not in any way encombered by pain either physical or emotional. Light as an angel's whisper to a sleeping child, the bird glided in & out of the swaying trees. Soon it came to rest on the crest of a freshly filled bath of water. In his rest the bird took a drink of cool, clear water. As gently as before the wings of the bird lifted it onto a breeze that quickly took him from my sight. I was sad, my heart had been lifted by the beautiful, graceful bird & now with it far from my sight, I yearned to see it fly again. My heart then heard an explanation, a remedy to my sadness. " It is not that the bird does not fly, it is merely flying in a kingdom that for now is out of your sight." I will wait for that day when once again the glorious sky will be blue & accompanied by angels & our Savior, Jesus this precious bird of whom so many have loved & yearned to see again, will accompany me to Heaven where we both will fly. Our wings powered by love & eternal joy. My love to all who weep, Aunt Brenda Norris Shaw in Grayson's memory.

“ Miller and family, you are in our thoughts and prayers. Grayson is in the presence of Jesus at this very moment praying for you all and others with that ever present big smile of his. We talked about the Lord whenever we met and to see how he shared Christ with others all while enduring his own struggles showed his faith and we can all count on a big welcome from this precious soul when the Lord calls us home ! “ Shelia and family,
There are no words that I can say to help you heal. Losing a child is the hardest loss. I can say since hearing I've prayed very hard for you. Thoughts and prayers and now he is in the arms of god out of a struggle that is hard to overcome and few don't understand. I pray that he was met by son and they can compare funny stories together. Keep him alive by always talking about him and with others. He had a beautiful smile always remember that smile.

“ L'il Sis, I've only 'met' him through your posts shared on Facebook but he was **YOURS** and you **LOVED** him so I do, too. I'm **HEART-BROKEN** for you, his fiancée, his babies. Such a cruel exit at such a young age. I know sort'a what you're feeling right now and I hope the 'numbness' will last and last till God sees you and **KNOWS** you're ready ... to hold the hurt and learn to accept. I love you **SO VERY** much, my friend.
