“ Deddy, I don't even know where to start, I believed in everything I had in me that you where gonna be able to make it out of all of this. I see though that God had other plans. I've been constantly thinking about all of the memories we've shared. From when you use to get us on the weekends, and back in 2010 when I moved in with you after graduation.. I remember all the talks we had, the laughs we would share, the random text I would get out of the day with you telling me you love me and miss me. It's never easy to say Goodbye, this lost has been very hard for me. Never would I have thought I would be telling you to rest in peace, deddy you will forever be missed.. I love you ❤️
