“ *Some of my best times on the golf course was with my buddy . I can remember living at the country club riding bikes all over the neighborhood, football games and just about whatever we could get into. Climbing that big sweet gum tree in the back yard thinking we were on top of the world. Going to miss you buddy you were one of a kind . Heart of gold !! Riding around in the ford ranger on Friday nights . I can guarantee one thing he's playing the best courses we could only imagine . Love ya buddy until we meet again keep hitting them straight and making birdies! My heart goes out to your mom and dad with out a doubt two of the nicest people you could ever want to meet ! Love yall*

*Elaine and Steve I am so sorry in this condolence being late. I cannot imagine what you are going through. I knew Lex, his daddy, from many years ago and I know he, Griffin and your mother are spending time together now. So sorry for your mother's passing. Ms. Griffin was a friend while I worked with her and I appreciate her for that. Again, condolences for both your mother and your Griffin. I never him, but he is spitting image of his father.*
