“ Nancy, I am truly devastated at this news. I visited your dad on Monday in the hospital and we had the nicest visit. Please tell your mother that the last thing we talked about was how much he loved her and how she was the love of his life. I did not get this news until today and am so sorry I missed the funeral.

He was such a special man and I loved getting his warm and heartfelt hugs and handshakes during church greeting times. I just want to express to you, your mom and the rest of the family how much he meant to me in just the few minutes we spent together on Sunday mornings.

I will miss him.

“ Nancy, Marvin, and family, we have just seen this news, and are so sorry to learn of your loss. We had hoped to attend services, but Skeet's father has been in the hospital, and tomorrow and Thursday are our days with him this week. Please tell your precious mother that we send our love. We'll be in touch soon, but please know that we are sharing your loss, and celebrating a life well lived. Much love, Skeet and Beth Cathey
