“ To all of Gwen's family : Our thoughts and prayers are with you at this time. Gwen stayed with us for a couple months while she was trying to settle into Oklahoma. She and I had long talks together and she had so many memories of her family to share. I know that doesn't feel the void you have right now but I hoped to at least offer some comfort in you knowing how much she loved all of you. She will always hold a special place in our hearts. God bless you all.##imported-begin##Sonja Hughes##imported-end##

“ *There are not enough words that can comfort the heart of the grieving at the loss of a child, sister, mother, friend, and family. I am so sorry she not here with us now, but to be absent from the body is to be present with the Lord. With all my heart I believe she is "Present with the Lord". Our Heavely Father is Fair, Faithful and Loving and more merciful than we could ever understand. He specializes in broken souls and broken hearts. God Bless You all. We send you our Love.##imported-begin##Robin Woodcock##imported-end##*
