“ Will forever miss riding down dirt roads and singing our hearts out. I will hold your memory tight my girl. I hadn't got to meet tuck yet but I loved both them babies too. I'm so glad my last goodbye to you was only a couple weeks ago and I got to give you a big old hug and kiss. Until we meet again. ☐🙏

“ Hailey was a beautiful woman inside and out! I am so thankful for the time I was able to spend with her and that I was blessed to be considered her aunt.

*I remember when Hailey, Destiny, & Gavin were little and they came to visit. I took them to meet my mom, and they all broke out singing Bob Marley to her.*

*Also, meeting and spending time with Bentley helped Tyler and I decide to have children!*

*Hailey was sweet, smart and sassy! She could light up any room and make anyone smile! She touched many lives in her time, and I believe she still is.*

*Hailey, Bentley, & Tucker will be missed very much, but may their light still shine upon us until we meet again. I can just see the 3 of them rejoicing in Heaven with Papa David, Nana & granddaddy!*
