“ Harry and I were both were a part of the 1967 Graduating Class from Wilkinson County High School. We reconnected at our 50th Class Reunion and several subsequent class gatherings. WHAT a treat it was to be around the same kind person that Harry always was! It was a blessing to be more 'active' as friends after so long. I pray the Good Lord will comfort Harry's family and friends as we remember him. Jane Thompson Barnard

So many fond memories of Harry. We were class of 67, but also students at Irwinton Elementary together. All of us are grateful for the friendships cultivated there. We are all richer because of our days and years together. Comfort and blessings to Harry's family.

“ We are saddened to hear of Harry's passing. Harry and I were classmates at Wilkinson County High graduating in 1967. Harry went to Vietnam while a lot of us stayed behind. I am thankful for his service. I remember in our younger years playing baseball at the old ball field beside the swimming pool in McIntyre. We had a lot of fun! After graduation, we all lose track of each other. Seeing Harry at our last two class reunions was good for my soul. We are so sorry for your loss. We have prayed for you all and will continue to do so.
