“ To The Family Of Herman Adams I can relate to your loss and I'm so very sorry that you are all suffering right now. Uncle Herman was always so sweet to me and I'll never forget him. Just pray for God to take away your pain and know beyond a shadow of a doubt that he is "strolling the gardens of Heaven" with Aunt Florence and he's happy and at peace. You will all be in my prayers. Love, Bonnie##imported-begin##Bonnie Stephens Lloyd##imported-end##

“ The flashing lights of rescue trucks, the smell of smoke, attempts to retrieve someone drowned, talk on CB radio and a name that stands out in ones memory "Catfish." Baldwin County has lost a citizen servant of a past era. Men of this cloth looked for no more than to serve and help as their talents allowed. Men like "Catfish" are true volunteers, they find time to do what others choose not to do and go where others may fear to tread. They are the spirit of the best that a county, state or nation have to offer its citizens. Rest now and know your job was done well.##imported-begin##Dr. Thomas Peavy##imported-end##

“ Marie, J.W. , Oscar and family,

We are so sorry to hear about Catfish. He will be missed so much. Catfish was a live wire happy go lucky person, which everyone enjoyed being around. He was a great person when it came to helping at a time of trouble, working with Civil Defense for years. May God Bless you at this time.

In our prayers and thoughts,
