“ I was so stunned to see the passing of Hildred.. I was looking for her on Facebook and up popped the funeral home's name and her obituary. Hildred and I go back to high school days in Michigan when she lived with her Aunt and Uncle.. She later moved to GA and we still sent Christmas cards with notes about our families We were on our way home from Florida to Michigan and I surprised her with a call. She invited us to stop and visit and meet her family. We had a great time catching up. Through the years we lost touch but I thought of her often. Also her sister Maratha. My deepest sympathy and prayers go out to all of her family.
