Tribute Wall

“ You will be missed Mr. Ethridge. I will always remember our little time in your garden even though you were doing all of the work. I always felt if I needed help with anything relating to the city, you could provide the information for me and for this and your kindness I will always be grateful. I also enjoyed our conversations when you and your wife came to the office or when I called your wife and you answered the telephone.

Please rest in peace knowing that you were always respected as an honorable man.

“ Carolyn and David,

There are times when we think our words have very little encouragement but we try. I've never lost a husband but I have lost a dad and mom so I really do know how that feels. It's one of the hardest things to get through and I could not have done it without the help of the LORD and friends. GOD is good and HE gives this kind of strength and comfort when it is needed--not before. Horace was a good person and my prayer is that he is in Heaven talking with my dad and mom and his other friends that have gone on before him. I do pray for strength for you and David as you go through this time of heartbreak.

Your friend,
