“ *Marsha, Your father was a kind man. He helped me in many ways when my husband was so ill and then died at GWVH in early 2011. He was a one of the "Veterans' Garden: enthusiasts and was always wanting to share some of the tomatoes, squash and otehr products from the garden. He would call and tell me whether my husband was able to be up in the gerichair toward the end of his life. My sympathy and prayers are with you in your loss. Ethelene Jones*
