“ Renae, my prayers are with you and your family. Howard was such a kind and well respected man. I knew him through our working together at DOC. Howard was professional and dependable, and in being so, he kept all of us safer. May God comfort you as only He can during this sad and difficult time. Howard fought so hard and stayed strong through all his battles. My heart goes out to you as I know how hard you fought and hurt, too.

Much love to you and your family,

“ I love each of you as my very own family. Howard and Daddy were thick as thieves and the best friends to each other that any one could ever hope for. Howard became a surrogate Daddy to me after Smokey passed and I had the honor of him giving me away at our wedding. He has been a big part of my Caroline's life since she was born. They loved to fight with each other but in the end there was always love. In reading so many posts and comments from different people in all walks of life there has been a constant . Howard Jewbaby Brown you are a Man of Men a Great Man with a Kind, loving and gentle soul. You always ALWAYS put others before you. Your belief has always been there is someone else out there who needs it more than me!!!!!!! I know you are no longer in pain and you are whole again whewwwwwww and I know you were met by a multitude of those brothers and sisters who passed before you and a glorious and joyous party is happening! You sir have left a huge whole down here on earth . Pepaw we love you and Brown's We Love All of Y'all Tony and Teresa
