“ Mr. Tanner,

I remember you with a fond heart. Your voice, which was unique, still rings in my ears. I still have my Bacon Chevrolet trophy from 1967 on my mantle. I still remember you and your son coming through Riverview on your homemade Go Cart. At Christmas, your time spent on decorations was appreciated by me and by my children. You will be remembered by me.##imported-begin##kevin tanner##imported-end##

“ My deceased husband, Richard (Dicky) Green, was privileged to have Mr. Tanner as his boss at Georgia Kaolin. Dicky respected Mr. Howard so very much because of the fair way he treated his co-workers and those he supervised. We were guests at the Tanner home often. How grateful I am that our family's path in life was enriched by Carolyn and Howard Tanner. To you fine sons I offer our deepest sympathy at this time of great personal loss. May God bless and comfort you and your families.##imported-begin##Louise Green##imported-end##
