“ I was very saddened to hear of Happy's passing. I would like to extend my heartfelt condolences to his family. Happy hired me to work as a DJ at WVMG in the mid 80s. I am very grateful to him for giving me that opportunity, which led to a 15-year career in radio. I think I understand Happy a lot better now than I did as a young man. I wish I had found a way to contact him in the last few years. One memory I have of Happy was going to his home in Cochran and seeing toys in every room of the house. It seemed he must have bought toys for "Lil' Hap" and Erica every time he had them over. Thank you, Happy. I didn't appreciate you enough years ago, but I hope you know how I feel today.
